Ballot Item

Election of API 1104 Officers for the 2021-2023 Term

As you may be aware, the terms of the current officers expires on December 31, 20120. Therefore, per bylaw requirements, this is a ballot for review and approval of the 1104 Committee Leadership (Officers) for a 3-year term to run from January 1, 2021 to December 31, 2023. At the last 1104 Committee meeting (January 2019) a search committee was formed to review candidates for these positions. The search committee has proposed the following for the next 3-year term:

Chair: Mike Childers, Southwest Gas
Vice Chair: William Bruce, DNV GL
Secretary: Melissa Gould, DNV GL (proposed appointment by the chair)

I am also required per the 1104 Committee by-laws to notify you that you may provide a write-in candidate for either the chair or vice chair. In order to identify a write-in candidate, please use the comment field in the ballot and submit your candidate(s) proposal.

A vote of affirmative means you accept the chair and vice chair candidates, as proposed above.

A vote of negative means you have submitted at least one write-in alternative person for one of the positions, above.

This is a six week ballot review. You should complete the review process of the entire document and submit your vote and comments before May 23, 2014. If you have any questions, please contact Ed Baniak (baniake@api.org).
